

SENSORS FOR HVAC/R

08SEP2025

Subject: Buy American Act (BAA) Compliance

The Buy American Act requirements are defined in several Parts and Subparts of the Federal Acquisition Regulation (FAR) included in the Code of Federal Regulations (Title 48 CFR).

PART 25 - FOREIGN ACQUISITION

Subpart 25.1 - Buy American-Supplies

Section 25.101 General.

Subpart 25.2 - Buy American-Construction Materials

Section 25.201 Policy.

PART 52 - SOLICITATION PROVISIONS AND CONTRACT CLAUSES

Subpart 52.2 - Text of Provisions and Clauses

Section 52.225-1 - Buy American—Supplies

Section 52.225-9 - Buy American—Construction Materials

Section 52.225-11 - Buy American—Construction Materials under Trade Agreements

This letter is to identify those products in our catalog offering that comply with the Buy American Act.

1. All of the products in our catalog meet the requirements for a commercially available off-the-shelf (COTS) item.
2. All of the products in our catalog meet the requirements for domestic or designated country construction materials, except those listed in the table in page 2. Those items in the table are either not manufactured in the U.S. or Designated Country; or are predominantly iron or steel and are sourced outside of the United States.

Sincerely,

Shawn Arch

Senior Product Manager

TEST INSTRUMENTS | TEMPERATURE | HUMIDITY | PRESSURE | AIR QUALITY | ETA | ACCESSORIES

Do not meet the requirements of BAA.

Catalog Section	Catalog Page	Products
Temperature	Duct Units	Duct Temperature Sensors that include a J-Box
Temperature	Rigid Averaging Units	Rigid Averaging Temperature Sensors that include a J-Box
Temperature	Submersible Duct Units	Submersible Duct Temperature Sensors that include a J-Box
Temperature	Immersion Probes with Nylon Fitting	Immersion w/ Nylon Fitting Temperature Sensors that include a J-Box
Temperature	Immersion Probes w/ Stainless Steel Fitting	Immersion w/ SS Fitting Temperature Sensors that include a J-Box
Temperature	Thermowells	All
Temperature	Strap Units and Remote Probe Units	Temperature Sensors that include a Clamp-On Strap (S) and a J-Box
Temperature	Thermobuffer Freezer/Cooler	All
Pressure	Zone Pressure Pickup Ports	Any that begin with ZPS-ACC01
Accessories	BAPI-Guard Thermostat Protector	All
Accessories	BAPI-Stat 4 Trim Ring	All
Accessories	Adaptor Plates for Retrofits	All
